

School Wellness

Are you interested in School Wellness?

Soledad Unified School District invites parents and members of the community to meetings about the school wellness policy. Having healthy choices at school helps keep our children healthy and ready to learn. The school wellness policy helps our school create an action plan for nutrition and physical activity at school. Parents can share their opinions and help make sure the policy is meeting the needs of our students. The District's wellness policy is available. At www.soledadusd.org

Parents who are interested in attending the meeting can email inquiries and/or comments about the wellness policy or nutrition and physical activity to Melinda Carnero at mcarnero@soledad.k12.ca.us
