Dear Parents and Guardians:

### **Re: Reopening of Schools Plan**

Earlier this week, the Governor signed legislation that provides directions for school districts with regards to instruction. There will be three options available to parents for the 2020-21 school year. These options include: 1) In-person instruction which could be similar to a traditional in-seat instruction; 2) Learning at a Distance or Online Learning; or 3) A Hybrid approach to learning which is a combination of In-person instruction and Learning at a Distance. We will be sending out a survey this week for parents to complete so that we can adequately plan and staff our schools for the 2020-21 school year. The survey will also ask you whether you will want bus transportation for students or if you would prefer to get students to school on your own.

Thank you for your patience throughout the summer as we create the best laid-out plans for the Soledad Community. The health and the safety of our students and staff is our top priority as we continue to develop our reopening of school plans.

Sincerely,

*Timothy J. Vanoli*

Timothy J. Vanoli  
District Superintendent
