School Accountability Report Card

Reported Using Data from the 2014-15 School Year

Published During 2015-16

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (Most Recent Year)

Parents of San Vicente students are invited to join the English Learner Advisory Council (ELAC) and the School Site Council (SSC). Parents are also encouraged to come to the school and volunteer in the classrooms, in the library, and in the cafeteria. Parenting workshops on a variety of topics are offered throughout the year that assist parents and teachers in working with the students. Many parental involvement opportunities are offered throughout the school district. Some examples are the Science Fair, Art Fair, District Parent Nights, and other periodic activities at a variety of school sites. Throughout the school year, students are involved in a variety of performances like Winter Program, Talent Show, Spring Program, Art show and other events that parents can get involved with and/or attend. Parents can participate in a variety of fundraising events as well as join our newly formed Panther Parents Parent Teacher Organization. Many parents are chaperones on field trips and participate in the Annual School Barbecue. Parenting classes are offered at San Vicente School in conjunction with our district Parents as Teachers sponsored by Triple P. A Student Resource Center and Parent Center are available to gain useful information on how parents can support their students and the teaching staff at San Vicente School. Below highlights some of the exciting parental involvement committees, events and activities:

School Site Council:

SSC, which includes faculty, parents, and a classified staff member meets to advise the principal on categorical expenditures, and to implement the Single School Plan. They also assist in the writing of grants and professional development planning. Meetings are held once a month, usually on the last Thursday. The Single School Plan is updated annually.

English Learners Advisory Council:

ELAC includes parents of English learners. It meets to advise the administration on services provided to students learning English. Meetings are held four times a year. This council also reviews the School Plan and offers advice regarding the plan to the School Site Council.

Parent Back To School Night:

Parents are invited to come to their child's class to learn about the grade level standards, the daily schedule, the curriculum being taught, and the behavior expectations.

Parent-Teacher Conferences:

Conferences are held twice a year. At conferences parents have the opportunity to meet with each of their child's teachers to review grades and determine how together as a team they can best help the child to meet grade level standards.

Student Success Team:

SST meetings are held to provide for information gathering and intervention for students at-risk. Meetings are attended by parents, students, respective teachers, counseling and administrative staff.

Individual Education Planning (IEPs):

IEP's are held on behalf of Special Education Students to review current performance and to set new learning goals. In addition to parents; the student, their teacher, their Special Education service provider, and an administrator attend each meeting.

Parent-Teacher Association:

All parents are invited to join the PTO. The PTO supports a variety of school activities including our extra-curricular student programs. The PTO, a child and school advocate group, is made up of all interested members of the school community. For more information call the the school at (831) 678-6420.

Parent Volunteers:

Parents are invited to volunteer their help and expertise working in their child's classroom, the office, library, cafeteria, Science Room, and/or computer lab.

Migrant PAC:

Parents of Migrant students are invited to attend a district parent meeting once a month where they learn about the services available to Migrant students. Parents also give input about the Migrant Program and ways to best serve our Migrant students.
