A Report of 2020-21 School Activities Published in 2021-22

PRINCIPAL'S MESSAGE

Dear Parents/Guardians,

On behalf of the Frank Ledesma team, it is my pleasure to welcome you and your child(ren) to the 2021-22 school year! I am excited about the opportunity to continue getting to know you and I am looking forward to a productive and positive school year ahead.

As we reconnect after one of the most collectively challenging years due to the strain of Covid-19, we look forward to focusing on three main objectives: 1) the physical and social-emotional wellbeing and safety of our scholars and staff, 2) the promotion of academic rigor and engagement with particular attention to reading, writing and college and career readiness for all students and 3) Tier I supports to promote overall student wellbeing and success.

Frank Ledesma will uphold the highest of safety standards including indoor mask wearing, maintaining regular screening practices and providing regular hygiene opportunities to wash hands and sanitize. Further, to support social-emotional health, our site will embark upon more closely partnering with the agency, Harmony at Home (formally known as Sticks and Stones), which will offer regular site based services to students and families. To best support academics, teachers will receive ongoing professional learning opportunities and coaching throughout the 2021-22 school year focusing on Doug Fisher and Nancy Frey's Balanced Literacy strategies to support students in learning and engaging at their maximum potential. Additionally, we will be continuing our focus on PBIS (Positive Behavior Interventions and Supports) and will begin to utilize PBIS Rewards, a digital incentive system, so our scholars can earn Jaguar Bucks - to use in our student store - and be recognized for positive behavior and achievements that aligns with our ROAR behavior expectations (Respect, Ownership, Attitude and Responsibility). We are excited for these many initiatives to promote student success!

We are looking forward to a positive and productive school year working together to provide the best possible educational experience for your child(ren). Together, our community can best serve every student, every day.

Looking forward to an amazing school year ahead!

Best regards,
Hilary Nichols, Principal

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

LOCAL ASSESSMENTS

The Soledad Unified School District administered i-Ready local assessments for English Language Arts and Mathematics in lieu of administering the CAASPP test for the 2020-21 school year, and the results are shown below in this report.

PHYSICAL FITNESS

In the spring of each year, Frank Ledesma Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone."

SCHOOL FACILITIES & SAFETY

Frank Ledesma Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Frank Ledesma Elementary School's original facilities were built in 2009; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

The custodial staff and district's maintenance department work together and communicate at least every other day to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Soledad Unified School District has established a comprehensive set of cleaning standards to ensure campus facilities are maintained in good repair and kept safe for students and staff. Parents may request to view approved cleaning standards by contacting the district's Director of Maintenance and Operations through the district office.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. Maintenance and Operations employs an electronic, web-based work order system that enables school staff to communicate its maintenance needs. Teachers and school staff relay requests for unscheduled special projects directly to school office staff who complete and submit a work order request to the Director of Maintenance of Operations. The director evaluates, prioritizes, and then forwards the request immediately to custodians for resolution. Custodians are qualified to perform minor and routine maintenance. Larger and more specialized projects are typically outsourced to third party contractors. Emergencies and urgent situations are typically resolved immediately.

All staff share the responsibility to report safety hazards or other conditions that need immediate attention. Graffiti and signs of vandalism are removed prior to students arriving on campus. The principal communicates with Maintenance and Operations staff as needed to manage safety concerns, cleaning practices, and maintenance needs.

CAMPUS SUPERVISION

As students arrive on campus in the morning, during recess and lunchtime activities, and upon release after school, administration and school staff monitor entrance gates and the playground in order to ensure a safe environment is provided at all times.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrival, wear a visitor's badge while on campus, and return to the school office upon departure to sign out indicating they are leaving the campus.

SCHOOL SITE SAFETY PLAN

A Comprehensive School Site Safety Plan is in development in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, sexual harassment policy, procedures for safe arrival and departure from school, and dress code policy. Frank Ledesma Elementary School's plan will be completed and shared with staff by February 2022. An updated copy of the school site safety plan is available to the public for viewing at the Soledad Unified School District office and the school office.

CLASSROOM ENVIRONMENT

CHRONIC ABSENTEEISM

The chart in this report identifies the chronic absenteeism rates by student group for Frank Ledesma Elementary School for the 2020-21 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

SCHOOL INSPECTIONS

Schools are required by state law to conduct an annual comprehensive inspection of school facilities, paying close attention to designated areas identified by state legislation and the Office of Public School Construction guidelines. The district's maintenance department inspects Frank Ledesma Elementary School on an annual basis in accordance with Education Code §17592.72(c) (1). Frank Ledesma Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on May 13, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.
