PRINCIPAL'S MESSAGE

Dear Parents/Guardians,

Welcome to what is sure to be a fabulous year at Gabilan Elementary School! My name is Abbie Arbrun and I am thrilled to be the Principal at Gabilan. Soledad Unified is very close to my heart as it has allowed me to be a part of the education of hundreds of students during my past decade here in our beautiful city of Soledad! I am thrilled to take on the challenge of continuing to lead Gabilan to success! I firmly believe that all students can succeed and am excited to assist my Eagle team here at Gabilan in doing so! In the past few years, our wonderful team has worked diligently by beginning implementation of PBIS (Positive Behavior Intervention Supports), focusing in on rigorous reading, starting to dive deep into common core standards and reformatting our professional learning communities! We are excited to continue to grow as a school this year!

Getting to school on time is crucial to ensuring our students are learning as much as they possibly can! We continue to need your support in making sure your children arrive to school on time. The Junior Kindergarten and Kindergarten warning bell will ring at 7:55 a.m. and classes will start promptly at 8:00 a.m. The 1st - 6th grade warning bell will ring at 8:00 a.m. and classes will be start promptly at 8:05 a.m. Students who arrive to school 5 minutes late are considered tardy and MUST report to the attendance clerk in the main office to get a tardy slip to be allowed into class. We also need parents to park in appropriate parking spaces along Metz Rd, Walker Dr and the YMCA to keep the side of our school safe for students coming and going. You are welcomed to stand with your child on the playground before school. Students will line up on the playground and be escorted to class by their teachers.

Thank you in advance for your help and I look forward to working with your child.

Sincerely,
Abbie Arbrun, Principal

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

LOCAL ASSESSMENTS

The Soledad Unified School District administered i-Ready local assessments for English Language Arts and Mathematics in lieu of administering the CAASPP test for the 2020-21 school year, and the results are shown below in this report.

*The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. PHYSICAL FITNESS

In the spring of each year, Gabilan Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test measures each student's ability to complete six fitness tasks in six major areas. Students that either meet or exceed the standards in all six fitness areas are considered to be physically fit or in the "healthy fitness zone."

SCHOOL FACILITIES & SAFETY

Gabilan Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Gabilan Elementary School's original facilities were built in 2009; ongoing maintenance and campus improvements ensure facilities remain

up to date and provide adequate space for students and staff.

The custodial staff and district's maintenance department work together and communicate at least every other day to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Soledad Unified School District has established a comprehensive set of cleaning standards to ensure campus facilities are maintained in good repair and kept safe for students and staff. Parents may request to view approved cleaning standards by contacting the district's Director of Maintenance and Operations through the district office.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. Maintenance and Operations employs an electronic, web-based work order system that enables school staff to communicate its maintenance needs. Teachers and school staff relay requests for unscheduled special projects directly to school office staff who complete and submit a work order request to the Director of Maintenance of Operations. The director evaluates, prioritizes, and then forwards the request immediately to custodians for resolution. Custodians are qualified to perform minor and routine maintenance. Larger and more specialized projects are typically outsourced to third party contractors. Emergencies and urgent situations are typically resolved immediately.

All staff share the responsibility to report safety hazards or other conditions that need immediate attention. Graffiti and signs of vandalism are removed prior to students arriving on campus. The principal communicates with Maintenance and Operations staff as needed to manage safety concerns, cleaning practices, and maintenance needs.

CAMPUS SUPERVISION

As students arrive on campus in the morning, during recess and lunchtime activities, and upon

release after school, administration and school staff monitor entrance gates and the playground in order to ensure a safe environment is provided at all times.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrive, wear a visitor's badge while on campus, and return to the school office upon departure to sign out indicating they are leaving the campus.

SCHOOL SITE SAFETY PLAN

A Comprehensive School Site Safety Plan is in development in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, sexual harassment policy, procedures for safe arrival and departure from school, and dress code policy. Gabilan Elementary School's plan will be completed and shared with staff by February 2022. An updated copy of the school site safety plan is available to the public for viewing at the Soledad Unified School District office and the school office.

SCHOOL INSPECTIONS

Schools are required by state law to conduct an annual comprehensive inspection of school facilities, paying close attention to designated areas identified by state legislation and the Office of Public School Construction guidelines. The district's maintenance department inspects Gabilan Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Gabilan Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on May 13, 2021. During fiscal year 2020-21, all restrooms were fully functional and available for student use at the time of the inspection.

MONTEREY COUNTY WILLIAMS FACILITIES INSPECTION

On an annual basis, representatives from the Monterey County Superintendent of Schools visit Soledad Unified School District's schools that are in the API Decile Ranks 1-3. The inspection is designed to evaluate and verify that school facility conditions are in "good repair" and that any deficiencies are accurately reported in the School Accountability Report Cards. The county inspection was completed in the first quarter (July-September) of 2021. Results of the inspection and corrective action taken by the district are provided in the table in this report.

CLASS SIZE

The Class Size Distribution table in this report illustrates the distribution of class sizes by grade level, the average class size, and the number of classes that contain 1-20 students, 21-32 students, and 33 or more students.

The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

Data collected during the 2020-2021 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

Site-based professional development topics are based upon student achievement levels and teacher needs as well as follow-up training on districtwide programs.

During the 2019-20, 2020-21, and 2021-22 school years professional development activities available in the Soledad Unified School District covered topics that are identified in the chart located in this document.

Teachers are encouraged to attend professional training programs offered by the Monterey County Office of Education and other local agencies for specialized training in their instructional areas and curriculum.

Teachers that are new to the profession as well as the district receive intensive support and training through the Monterey County Office of Education's New Teacher Induction Program (formerly known as BTSA - Beginning Teacher Support and Assessment). For beginning teachers and new teachers recruited from out-of-state, the New Teacher Induction Program provides support and skill-building assistance through formative assessment and individualized support. After successful completion of the two-year program, teachers may apply for their clear teaching credential.

CURRICULUM & INSTRUCTION

PROFESSIONAL DEVELOPMENT

Soledad Unified School District combines efforts with school site administration to provide training and curriculum development which revolves around the California State Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

During the 2020-21 school year, Gabilan Elementary School sponsored professional development training activities for professional development and grade level collaboration. Additionally, grade levels participate in Professional Learning Communities (PLC's) each week in grade level teams to determine the next approach to the curriculum, review student successes and needs, and to review district assessments. Teachers also use this time to develop essential standards-based lesson plans.
