### PRINCIPAL'S MESSAGE

Dear Parents/Guardians,

Welcome to what is sure to be a fabulous year at Gabilan Elementary School!

My name is Maricela Olmos and I am delighted to be a part of the Gabilan Elementary School family and serve as your new principal. Our school community has dedicated, talented members committed to doing what is in the best interest of our students. We will continue to put students first and work diligently to ensure their success.

My professional background is rooted in education, leadership, and counseling. For the past twenty-three years, I have worked in public education as a leader, teacher, BTSA support provider, parent facilitator and counselor. I look forward to using these collective experiences as your new principal.

In addition to my professional achievements, my greatest accomplishment is my family. I am a mother of three amazing young adults; Daniel Jr. (30), Marlene (25), and Maximiliano (18). I am also a grandmother of three amazing grandchildren Nathaniel (12), Jordan (3), and Addison (1 year old). As a parent, I always want what is best for my children and will work tirelessly to ensure that our students have the best possible experiences at Gabilan Elementary School!

Sincerely,  
Maricela Olmos, Principal

### DISTRICT & SCHOOL DESCRIPTION

Soledad Unified School District is located in the heart of the Salinas Valley, approximately 120 miles south of San Francisco. The city is surrounded by a rich agricultural area producing a large portion of the nation's fruits and vegetables. The city of Soledad was established by Catalina Manzaneli de Munrás in 1873. The town was incorporated May 9, 1921. The district currently operates five elementary schools, one middle school, one high school, and one continuation high school which serve almost 5,000 students in grades K-12.

## STUDENT ACHIEVEMENT

### CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

## PHYSICAL FITNESS

In the spring of each year, Gabilan Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site [www.cde.ca.gov/ta/tg/pf/](http://www.cde.ca.gov/ta/tg/pf/).

## SCHOOL FACILITIES & SAFETY

Gabilan Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. Gabilan Elementary School's original facilities were built in 2009; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. Recently completed improvements to the school campus include the following:

- Remodel of the restroom
- New playground structure (Grant funded)

The custodial staff and district's maintenance department work together and communicate at least every other day to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Soledad Unified School District has established a comprehensive set of cleaning standards to ensure campus facilities are maintained in good repair and kept safe for students and staff. Parents may request to view approved cleaning standards by contacting the district's Director of Maintenance and Operations through the district office.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. Maintenance and Operations employs an electronic, web-based work order system that enables school staff to

communicate its maintenance needs. Teachers and school staff relay requests for unscheduled special projects directly to school office staff who complete and submit a work order request to the Director of Maintenance of Operations. The director evaluates, prioritizes, and then forwards the request immediately to custodians for resolution. Custodians are qualified to perform minor and routine maintenance. Larger and more specialized projects are typically outsourced to third party contractors. Emergencies and urgent situations are typically resolved immediately.

All staff share the responsibility to report safety hazards or other conditions that need immediate attention. Graffiti and signs of vandalism are removed prior to students arriving on campus. The principal communicates with Maintenance and Operations staff as needed to manage safety concerns, cleaning practices, and maintenance needs.

### CAMPUS SUPERVISION

As students arrive on campus in the morning, at lunchtime activities, and upon release after school, administration and school staff monitor entrance gates and the playground in order to

ensure a safe environment is provided at all times. During recess, pupil supervisors monitor student activities on the playground.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrive, wear a visitor's badge while on campus, and return to the school office upon departure to sign out indicating they are leaving the campus.

### SCHOOL SITE SAFETY PLAN

A Comprehensive School Site Safety Plan is in development in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, sexual harassment policy, procedures for safe arrival and departure from school, and dress code policy. Gabilan Elementary School's plan was completed in November 2023 and will be shared with staff by January 2024. An updated copy of the school site safety plan is available to the public for viewing at the Soledad Unified School District office and the school office.

## SCHOOL INSPECTIONS

Schools are required by state law to conduct an annual comprehensive inspection of school facilities, paying close attention to designated areas identified by state legislation and the Office of Public School Construction guidelines. The district's maintenance department inspects Gabilan Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Gabilan Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on May 18, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

## DISCIPLINE & CLIMATE FOR LEARNING

Gabilan Elementary School is a PBIS school providing Positive Behavior Interventions and Supports to all students. Gabilan Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. # CURRICULUM & INSTRUCTION

## PROFESSIONAL DEVELOPMENT

Soledad Unified School District combines efforts with school site administration to provide training and curriculum development which revolves around the California State Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

During the 2022-23 school year, Gabilan Elementary School sponsored professional development training activities for professional development and grade level collaboration which centered around Professional Learning Teams (PLT's) and Constructive Meaning Training to Support English Learners. Additionally, teachers participate in PLC's each week in grade level teams to determine the next approach to the curriculum, review student successes and needs, and to review district assessments. Teachers also use this time to develop essential standards-based lesson plans. Site-based professional development topics are based upon student achievement levels and teacher needs as well as follow-up training on districtwide programs.

During the 2021-22, 2022-23, and 2023-24 school years professional development activities available in the Soledad Unified School District covered topics that are identified in the chart located in this document.

Teachers are encouraged to attend professional training programs offered by the Monterey County Office of Education and other local agencies for specialized training in their instructional areas and curriculum.

Teachers that are new to the profession as well as the district receive intensive support and training through the Monterey County Office of Education's New Teacher Induction Program (formerly known as BTSA - Beginning Teacher Support and Assessment). For beginning teachers and new teachers recruited from out-of-state, the New Teacher Induction Program provides support and skill-building assistance through formative assessment and individualized support. After successful completion of the two-year program, teachers may apply for their clear teaching credential.

## INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Soledad Unified School District are aligned to the California State Standards. Instructional materials for grades K-12 are aligned to state content standards and, when possible, are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education.

On September 14, 2023, the Soledad Unified School District Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English Learners. The Governing Board adopted Resolution No. 9-01-23 which certifies, as required by Education Code section 60119, that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum
