PRINCIPAL'S MESSAGE

Dear San Vicente Families:

As principal, I am excited to return for year two during the 2023-24 school year! I would like to welcome back our students and families from last year, and I would also like to extend a warm welcome to our new students and their families.

As this school year gets underway, I would like to encourage you to remain in close contact with your child's teacher(s). Please be sure to monitor your child's learning and do not hesitate to reach out to our staff for assistance. As sages have stated, "It takes a village to raise a child." Working together as a team, assures the success for your children. There will be multiple opportunities throughout the year for you, the parents, to get involved in our school and your child's education. We encourage you to join our ELAC meetings, our School Site Council meetings and our PTO.

I can tell you that everyone across our district is working hard to plan for a successful school year. I know we will continue to work together to ensure the absolute best for all of our students in the upcoming school year.

I would like to encourage all of our families to complete and return their registration packets as soon as possible. It is essential that we have multiple ways to communicate with all our families. Completing the packets helps to ensure that you receive up-to-date communication from the school and school district in a timely manner.

It is an honor to be of service as the Principal of San Vicente Elementary School. I look forward to an outstanding school year.

Panther Proud,
Keegan White, Principal

Double dashes (--) appear in the table when the number of students is ten or fewer, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who receive scores.

Parent involvement is a vital component to school and student success. San Vicente Elementary School offers a wide variety of opportunities for parents to support the school and their child's academic efforts through volunteering efforts.

Volunteer Opportunities:

- Cafeteria Helper

A bi-monthly bulletin, flyers, and ParentSquare, are just a few of the ways that parents are kept informed of school events and activities. A calendar of events is published at the first of the year; general information can be found on the school website and the school marquee.

Parents seeking more information or who are interested in participating in any of the activities listed above may contact the parent liaison at (831) 678-6420 for more information on how to become involved.

STUDENT ACHIEVEMENT

CALIFORNIA ASSESSMENT OF STUDENT PERFORMANCE AND PROGRESS (CAASPP)

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics,

and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

PHYSICAL FITNESS

In the spring of each year, San Vicente Elementary School is required by the state to administer a physical fitness test to all students in fifth grade. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM®. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM® has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf/.

SCHOOL FACILITIES & SAFETY

San Vicente Elementary School provides a safe, clean environment for learning through proper facilities maintenance and campus supervision. San Vicente Elementary School's original facilities were built in 1952 with an addition completed in 1970; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff.

| Campus Description | |
|---------------------------|--------------------------|
| Year Built | 1952 w/ addition in 1970 |
| Acreage | 9 |
| Bldg. Square Footage | 48,480 |
| | Quantity |

| Health Office | 1 |

The custodial staff and district's maintenance department work together and communicate at least every other day to ensure playgrounds, classrooms, and campus grounds are well-maintained and kept safe and functioning for students, staff, and visitors. Soledad Unified School District has established a comprehensive set of cleaning standards to ensure campus facilities are maintained in good repair and kept safe for students and staff. Parents may request to view approved cleaning standards by contacting the district's Director of Maintenance and Operations through the district office.

District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. Maintenance and Operations employs an electronic, web-based work order system that enables school staff to communicate its maintenance needs. Teachers and school staff relay requests for unscheduled special projects directly to school office staff who complete and submit a work order request to the Director of Maintenance of Operations. The director evaluates, prioritizes, and then forwards the request immediately to custodians for resolution. Custodians are qualified to perform minor and routine maintenance. Larger and more specialized projects are typically

outsourced to third party contractors. Emergencies and urgent situations are typically resolved immediately.

All staff share the responsibility to report safety hazards or other conditions that need immediate attention. Graffiti and signs of vandalism are removed prior to students arriving on campus. The principal communicates with Maintenance and Operations staff as needed to manage safety concerns, cleaning practices, and maintenance needs.

CAMPUS SUPERVISION

As students arrive on campus in the morning, during recess and lunchtime activities, and upon release after school, pupil supervisors monitor school grounds and the entrance/exit gates in order to ensure a safe environment is provided at all times.

To maintain a safe and secure environment, all parents and visitors are required to check in at the school office upon arrive, wear a visitor's badge while on campus, and return to the school office upon departure to sign out indicating they are leaving the campus.

SCHOOL SITE SAFETY PLAN

A Comprehensive School Site Safety Plan is in development in collaboration with local law enforcement and fire protection agencies and district administration to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, sexual harassment policy, procedures for safe arrival and departure from school, and dress code policy. San Vicente Elementary School's plan will be completed and shared with staff by November 2023. An updated copy of the school site safety plan is available to the public for viewing at the Soledad Unified School District office and the school office.

SCHOOL INSPECTIONS

Schools are required by state law to conduct an annual comprehensive inspection of school facilities, paying close attention to designated areas identified by state legislation and the Office of Public School Construction guidelines. The district's maintenance department inspects San Vicente Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). San Vicente Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on May 18, 2023. During fiscal year 2022-23, all restrooms were fully functional and available for student use at the time of the inspection.

CLASSROOM ENVIRONMENT

CHRONIC ABSENTEEISM

The chart in this report identifies the chronic absenteeism rates by student group for San Vicente Elementary School for the 2022-23 school year. A "chronic absentee" has been defined in EC Section 60901(c)(1) as "a pupil who is absent on 10 percent or more of the school days in the school year when the total number of days a pupil is absent is divided by the total number of days the pupil is enrolled and school was actually taught in the regular day schools of the district, exclusive of Saturdays and Sundays."

CURRICULUM & INSTRUCTION

PROFESSIONAL DEVELOPMENT

Soledad Unified School District combines efforts with school site administration to provide training and curriculum development which revolves around the California State Standards. Teachers align classroom curriculum to ensure that all students either meet or exceed state proficiency levels.

During the 2022-23 school year, San Vicente Elementary School sponsored professional development training activities for professional development and grade level collaboration. Additionally, grade levels participate in Professional Learning Communities (PLC's) each week in grade level teams to determine the next approach to the curriculum, review student successes and needs, and to review district assessments. Teachers also use this time to develop essential standards-based lesson plans. Site-based professional development topics are based upon student achievement levels and teacher needs as well as follow-up training on districtwide programs.

During the 2021-22, 2022-23, and 2023-24 school years professional development activities available in the Soledad Unified School District covered topics that are identified in the chart located in this document.

Teachers are encouraged to attend professional training programs offered by the Monterey County Office of Education and other local agencies for specialized training in their instructional areas and curriculum.

Teachers that are new to the profession as well as the district receive intensive support and training through the Monterey County Office of Education's New Teacher Induction Program (formerly known as BTSA - Beginning Teacher Support and Assessment). For beginning teachers and new teachers recruited from out-of-state, the New Teacher Induction Program provides support and skill-building assistance through formative assessment and individualized support. After successful completion of the two-year program, teachers may apply for their clear teaching credential.

INSTRUCTIONAL MATERIALS

All textbooks used in the core curriculum throughout Soledad Unified School District are aligned to the California State Standards. Instructional materials for grades K-12 are aligned to state content standards and, when possible, are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education.

On September 14, 2023, the Soledad Unified School District Governing Board held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students, including English Learners. The Governing Board adopted Resolution No. 9-01-23 which certifies, as required by Education Code section 60119, that (1) textbooks and instructional materials were provided to all students, including English learners, in the district, (2) each pupil has a textbook or instructional materials, or both, to use in class and to take home, (3) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in language arts, science, mathematics, social studies, and English Language Development, and (4) sufficient textbooks or instructional materials were provided to each pupil enrolled in foreign language or health classes.
